### **ORDER**

**Iftikhar Muhammad Chaudhry, CJ.**— Mr. Shah  
 Khawar, learned Additional Attorney General for Pakistan

informed about the deliberations between the Law Enforcing Agencies including the police, FC and other stakeholders arranged by the Chief Secretary, Government of Balochistan, which was attended by him and others for the purpose of making concrete/positive efforts to effect the recovery of forcibly disappeared persons and it has been decided that two weeks time would be required for achieving the desired results and submitting the report before the Court.

2. We have enquired from him the number of missing persons. He calculated the same with the assistance of Nasrullah Baloch and stated that about 60 persons have been allegedly picked up by FC and about 8 to 9 persons are in the Ferrari Camps as well as 5 to 7 missing persons in respect whereof, fresh applications have been submitted and in this manner, approximately more than 70 persons are not available. It is to be noted that it is not for the first time that we have granted adjournments/time to effect the recovery of missing persons, as in the past as well, for the same reasons from time to time, the case has been postponed. However, according to the learned Addl. Attorney General now the command of FC has been changed. I.G. FC and IG Police both have been newly appointed in the Province of Balochistan who are committed for resolving of this burning issue in a befitting manner, therefore, we expect that the needful shall

be done without any further delay within two weeks, as has been desired.

3. It has also been informed that I.G. FC has agreed to hand over those personnel to the DIG, (CID), who were allegedly involved in the forced disappearances and were required to be interrogated in the criminal cases which have already been lodged and the investigation is being carried out particularly a FC Official (Abdul Waheed S/o Multani Khan) is required to be investigated in the case of Mehrullah Khilji and similarly Major Saif, who is required in another case for interrogation by the police, shall also be made available to the police, as according to the learned Addl. Attorney General, he had contacted in this behalf the Ministry of Defence and assurance has been obtained for production/appearance of Major Saif before the police in the case of abduction of Abdul Wahab. Yet another important case of Mr. Sami Hussain Anqa s/o Nusrat Hussain Anqa reportedly missing from the year 2009 is required to be investigated as there are allegations against the agencies. It seems that no effective progress has been made so far in this behalf. The learned Addl. Attorney General shall prepare the report within the stipulated period which shall be filed at least a day before the next date of hearing. It has also been pointed out by the learned Addl. Attorney General that in

view of the observations made in our order passed on 26.8.2013, an exercise had already been under taken in the matters through judicial forums like in the cases of Abdul Maalik and Kahu. The statements and cross examinations have been recorded as also, in the cases of Bibi Shakira and others (CMA No.228-Q, 229-Q & 230-Q of 2013) for recovery of Rashid s/o Manzoor Ahmed, Rab Nawaz s/o Mir Baig and Sanaullah S/o Muhammad Azeem and others, therefore, he should apprise the concerned quarters about the consequences of the same because it is now for them to do the needful for effecting the recovery or producing the missing persons. If the police or any judicial forum appointed by this Court concludes on the basis of material available on record, the involvement of uniformed personnel either of the FC or other forces, there would be a situation likely to cause embarrassment and adversely affect the position not only of the FC but other forces as well. Effecting the recovery and production of the missing persons, as it has already been observed time and again, at present, it is one of the most important and burning issue.

4. All the law enforcing agencies are under an obligation to disclose if the missing persons are in their custody, however, they should be dealt with in accordance with law because all and sundry must know that such like

detention is violation of the fundamental rights of the citizens in terms of Article 9 as well as Article 10 of the Constitution of the Islamic Republic of Pakistan, 1973, which guarantees the life, liberty, property and security as well as against illegal detention.

5. Above all, FC and other law enforcing agencies, which are working in the Province of Balochistan can by extending cooperation to the Court for recovery and production of the missing persons, which would also establish their credibility as there is sufficient material available on the record including the report from the Police Department that the missing persons have been picked up by their personnel.

6. However, on the assurance of the learned Addl. Attorney General, we allow two weeks time to FC, other authorities and the stakeholders to effect the recovery and production of the disappeared persons and if they are involved in any case or crime, they should be dealt with accordingly. The learned Addl. Attorney General stated that a report has also been prepared, which is in the process of completion and it shall be submitted during course of day in the office.

- iii. During the reporting period three kidnapes were recovered who were kidnapped for ransom and **15** accused persons involved in kidnapping for ransom have been arrested.

### 3. **ISSUE OF MISSING PERSONS**

- i. The Provincial Government has taken up the issue with Federal Government at all levels to assist the Provincial Government in resolving the issue of missing persons.
- ii. The Provincial law enforcing agencies including Criminal Investigation Department is actively investigating the cases of missing persons. Report has already been filed by the DIG CID.
- iii. The Chief Secretary Balochistan has taken up the issue of recovery of dead bodies of missing persons from Karachi with the Chief Secretary Sindh for taking action against the responsible.

4. **OPERATION AGAINST ILLEGAL IMMIGRANTS/FOREIGNERS.**

During the period from 10<sup>th</sup> July, 2013 on 22<sup>nd</sup> August, 2013 (54) cases have been registered in different police stations of Quetta whereby (657) illegal Afghan immigrants have been arrested and deported to Afghanistan. During the year (upto 22<sup>nd</sup> August, 2013) total 134 cases have been registered whereby (1213) illegal immigrants have been arrested and deported to Afghanistan.

8. It is to be noted that in the Province of Balochistan there is a good number of refugees, who have entered from Afghanistan. Initially, way back in the year 1980, they ordinarily used to reside within Refugee Camps but by the passage of time they have shifted into urban areas. It is also reported that most of them have succeeded in obtaining National Identity Cards from NADRA, which essentially was not possible without the connivance of officials of the said Authority and on the basis of such Cards they have also not

only got passports but also purchased properties and their names have also been entered into the Electoral Lists. The Chief Secretary explained that as the matter relates to Afghan Refugees, which is an international issue and also to be dealt with by the Federal Government, therefore, the newly elected Provincial Government has taken up this issue seriously with the Federal Government and has shown its concern. However, efforts shall be made to persuade the Federal Government to provide a policy, as according to him task force has been constituted comprising of representatives of all the four Provinces and no sooner a policy is given to the Government for the purpose of implementation, it shall be adhered to strictly. It has been pointed out to him that the Provincial Government may also take steps on the administrative side to ensure that Afghan Refugees are confined only to the extent of their Camps, which have been established in different areas of the Province and similarly a mechanism should be adopted in order to ensure that except a person who is indigenous resident or citizen of Pakistan having CNIC no one else who is outsider succeeds in getting such Card for showing himself to be a citizen of Pakistan. There are complaints of the involvement of such persons in the crimes.

9. It is to be noted that the population of Balochistan, particularly, in Quetta has increased on account of the Refugees, therefore, notwithstanding whatever the policy shall be given, the Provincial Government must adhere to law for the purpose of confining them to the extent of Refugee Camps and it should also be ensured that the concerned quarters may not extend any concession to such like persons by allowing them to get passports, purchase of properties or get their names entered in the Electoral Lists etc. We are conscious of the fact that in view of the situation, which is prevailing in the Province of Balochistan, if these steps are taken, the Provincial Government can succeed in maintaining the law and order situation as well as ensuring the protection of life and the properties of the citizens, who enjoy the right of protection in terms of Articles 9, 14 as well as 18 of the Constitution.

**5. SURVEY OF PROPERTIES IN QUETTA DISTRICT:**

The Government of Balochistan Home & Tribal Affairs Department Vide letter No.SO (Judl:)8(31)/2009 dated 16.11.2009 has already issued instructions to Property Dealers and Motor Show Rooms Owners for regulating their business. However, the same are not being followed by the dealers and they do not undertake their legal obligations and responsibilities. The District Administration has launched campaign against the violators and has already started survey in Quetta District for taking action against them.

10. It is to be noted that business of properties has to be controlled by allowing licenses through some legislation. The learned Addl. Advocate General, Balochistan may look into the matter and, if need be, give suggestions in this behalf.

6. **POSTING AND TRANSFERS OF OFFICERS IN POLICE DEPARTMENT AND ADMINISTRATION**

The Provincial Government has already taken up the issue with Establishment Division, Government of Pakistan for posting of PSP Officers and officers of Pakistan Administrative Service in Province of Balochistan. The Federal Government has suspended the services of 5 PSP officers who have yet not reported in the Province of Balochistan.

11. It has been reported that there is an acute shortage of the police officers as well as the officers of PAS (Pakistan Administrative Service) and on having realized that it is impossible to maintain the law and order unless the force is not available, this Court on 5<sup>th</sup> April, 2012 passed the following directions: -

"8. I.G.P has informed that due to shortage of police officers, it is not possible to take action against culprits as presently police force is running by the shortage of 26 officers, but despite issuance of notification by the Federal Government no one has come forward to serve in Balochistan. Under the circumstances we direct the Secretary Ministry of Interior as well as Secretary Establishment, Government of Pakistan that according to rules/regulations, issue notifications of such officers and depute them in Balochistan so that law and order situation is brought under control and send copy of such notifications to Registrar of this Court and the I.G.P would inform that as to

whether notification has been acted upon or not, enabling us to pass appropriate order in Court for such officers, who are reluctant to join duty despite the fact that under the provisions of Civil Servants Act they should have no hesitation to serve in the Province of Balochistan. This order be communicated to the Attorney General during course of the day, who will take up the matter with the Federal Secretaries and ensure that notification is issued as early as possible and report in this behalf be submitted tomorrow positively."

In pursuance of above directions, police officers and officers of PAS reported to Balochistan but there is still deficiency of such like officers. However, in the meanwhile a few officers instead of joining their duties in the Province, approached the learned High Court of Sindh, Karachi by filing CP No.D-2905/2013 and got stay order on 25.07.2013.

12. It is to be noted that these officers were transferred to Balochistan under the directions of this Court and perhaps this fact has not been brought in the notice of the learned High Court, therefore, the Registrar of this Court is directed to take up this matter with the Registrar of the learned High Court of Sindh enabling him to place the matter before the learned Chief Justice, with the observations of this Court that let their cases be decided expeditiously in the interest of justice. However, above reproduced para should also be brought in the notice of the learned High Court.

13. It has also been reported that two PAS officers namely Kazim Niaz and Khalid Sherdil have been repatriated

to Punjab and Prime Minister Secretariat, Islamabad. We feel that their transfer has taken place against the policy and the directions of this Court. The Registrar shall take up this matter with the Chief Secretary, Punjab and the Principal Secretary to the Prime Minister and shall bring into their notice the above order with further observations that these officers should be relieved immediately so that they may report to Balochistan for the purpose of performing their duties in compliance of the directions, which we have already made.

14. A report (CMA 250-Q/2013) in respect of incident which took place on 05.08.2013 has also been placed on record signed by the Additional Secretary, Home Department Government of Balochistan. After having gone through the same, we have pointed out in clear terms to the learned Additional Advocate General that this Court is only interested to the extent of enforcement of fundamental rights of citizens because whosoever may be, if requires to travel from Quetta towards any other destination, he should be given protection of life and property and if someone kills him then later on killed by the law enforcing agencies would not be sufficient to meet the requirement of Article 9 of the Constitution. This Article provides that life and property of the citizens shall be secured fully. He stated that with the intervention of the

Federal Government, law and order situation is being improved and within a few days there would be a remarkable change in this behalf. However, we have also pointed out to him that all the Law Enforcing Agencies working in Balochistan should adhere to the provisions of the Constitution strictly for the purpose of protecting lives and properties of the citizens and the culprits are required to be dealt with under the law and the Constitution. We will feel satisfied if such like incidents do not take place and the persons feel secure while traveling within the Province or outside towards any destination. He assured that steps are being taken to protect the lives and property of the citizens.

15. In respect of law and order situation prevailing in Khuzdar and Wadh a report (CMA 251-Q/2013) has been submitted by the Commissioner Qalat Division, who stated that there was shortage of food but after adopting extraordinary measures, food has been supplied and as far as normalcy is concerned, there is no problem however with regard to general law and order different strategies have already been adopted including reconciliation between the tribes etc. to ensure the protection of lives and properties of the citizens of the Province.

16. Mr. Rehmatullah Khan Niazi DIG (CID) stated that in pursuance of the directions of this Court, Mr. Saleem Lehri

presently posted as SSP (Traffic) has been asked by the Inspector General of Police to remain associated with the CID to assist him in the investigation of the murder of Mir Hakmal Raeesani. He has also submitted a report (CMA No. 252-Q of 2013), wherein progress so far made by the police to cause arrest of accused persons has been pointed out. The report also suggests that perhaps one of the persons allegedly claimed to be involved on behalf of banned organizations had been killed in an encounter but reference in this behalf may be made to the report to find out his name. However, we direct both the officers that they take all necessary steps to complete the investigation of the case.

17. Learned Additional Attorney General stated that as far as the cases of Munir Ahmed Mirwani Advocate and few other missing persons are concerned, these may be postponed till the next date of hearing as he has already taken up this matter with the concerned authorities as pointed out by him while discussing the matters of missing persons. In pursuance of the commitment, learned Addl. Attorney General has filed written statements on behalf of FC as well as the Federation separately.

18. Mr. Baz Muhammad Kakar, ASC stated that CEO ARY could not reach as there was no flight available today from Islamabad to Quetta. He further stated that in the

meanwhile, an FIR No.163/2013, P.S City Quetta, has also been registered against CEO and others, copy of which has been placed on record. It seems that in pursuance of some letter issued by the Information Department, Government of Balochistan, the case has been registered. We have pointed out to the learned counsel that as to why a wrong impression is being given in some of the newspapers that the said FIR has been registered on the direction of this Court, he stated that there is absolutely no such order and the impression so being given by the newspapers is unwarranted. We have inquired from the Addl. Advocate General and the Chief Secretary about it, who stated that there are no directions. We may point out that, while hearing the cases, this Court is very careful about the rights of the people, therefore, without providing an opportunity of hearing, no adverse order is passed against any party. In this behalf it may be noted that vide order dated 15.8.2013, notices were issued to the CEO, ARY without mentioning his name to explain as to why action could not be taken against him on account of airing a program on 13.8.2013 relating to the incident of Ziarat residency. He neither appeared on 15.8.2013, 16.8.2013 nor yesterday i.e. 26.8.2013. We direct the Secretary Information, Government of Balochistan that he should clarify the position and the newspaper in which baseless and

frivolous news has been published, should issue a clarification/corrigendum.

19. In pursuance of our directions, a report has been filed by the Additional Secretary Interior which is in a sealed envelope and seems to be a secret document, therefore, we would not like to comment upon the same at this stage particularly in absence of the CEO ARY. It should be kept in a safe custody. We have observed that no one has filed *Wakalatnama* on behalf of the CEO. However, at the repeated requests of Mr. Baz Muhammad Kakar, ASC, we grant the CEO another opportunity to appear before this Court on the next date of hearing.

20. PEMRA has filed a report (CMA 248-Q/13) indicating the action so far taken by it.

21. Mr. Noushad Younas, AIG Legal has submitted a report with regard to application of Mst. Khadija Dad Bugti. He is directed to hand over a copy of the same to her.

Adjourned to a date in office after two weeks.
